Chorus

*Always got time for Love.
Always got time for Love.
Always got time for lovin', yeah.
Always got time for Love.*

Verse 1

Oh, there's a time for everything under the sun
A time for every purpose on the earth
There's a time to be born and a time to die
A time to bless and a time to curse
Mmm, singin'

Chorus

Verse 2

Oh, there's a time to savor beauty right now
A time for letting go of the hurt
There's a time to resist and a time to yield
And all the times to trust your worth
Mmm, singin'

Chorus

Bridge

Don't have to wait another day
No, the perfect time is right now
Don't be afraid of what they'll do or say
It's a practice, not a perfect How
Just let a little Love in and out
Oh, singin'
