***God is making this world a better place
God is making this world a better place
God is making this world a better place
Through the things we do when we live Jesus' Way***

A7 **Em**
When we choose to be peacemakers
A7 **Em**
When we choose to share more than take
A7 **Em**
When we honor our Creator
A7 **B7**
Then we're living in...the Jesus Way

Chorus

When we choose to act with justice
Honor and respect every race
When the earth knows it can trust us
Then we're living in...the Jesus Way

Chorus
