Praise God first thing in the morning  
Praise God in the middle of the day  
Evening, bedtime, middle of the night,  
Every time’s just right,  
Just right for praising God.

Thank God first thing in the morning  
Thank God in the middle of the day  
Evening, bedtime, middle of the night,  
Every time’s just right,  
Just right for thanking God.

Love God first thing in the morning  
Love God in the middle of the day  
Evening, bedtime, middle of the night,  
Every time’s just right,  
Just right for Loving God.

Praise God first thing in the morning  
Praise God in the middle of the day  
Evening, bedtime, middle of the night,  
Every time’s just right,  
Just right for praising God.  
Just right for thanking God.  
Just right for loving God.  
Just right for praising God. Praise God!
