Dear-ly be-loved, it can be so hard to be - lieve in love these

days. Hearts get bro - ken all the time. Still we have found our way.

Yeah, we've made it here. Dear-ly be-loved. And

all that I am I of-fer you. And all that you

give I take with grat-i-tude. All we can be for each

oth-er and this world may we be-come through shel-ter and storm.

We pro - mise love. We pro - mise love.

We pro - mise love. Dear - ly be-loved,
