Verse 1

A
Sometimes it feels as if the world

Is tumbling to the ground
A E A
So much trouble without and within

Who turned empires upside down

And remember
A
Love wins

Verse 2

A D A
Let's breathe here together, a collective breath

Take my hand and we'll find hope again
A D A
All we can do is take the next right step

Love wins

Chorus:

D D A
/Love is what will /be here in the end, and
D E A
Love is with us now

/We're gonna turn these
F#m E D
Weapons into plows

Love Wins

 A D
And remember

We're in this together
 E A
Oooh, love wins

Verse 3:

 A
If the world keeps crumbling
 D A
We'll create a new place

We'll believe that
 A
Love wins

Bridge:

Ohh Love Wins
A D A
Ohh Love Wins (repeat)
