

# **FLOOD OF WONDER**

(John 4:13-15, 6:35, 8:12, 10:11, 14:6, 15:5, Matthew 5:14)  
by Gordon E. Ellis and Mark E. Ellis

A flood of wonder, a flood of praise,  
A flood of healing in this place.  
We bring our broken selves to You  
And ask for Your life-giving grace.

**Living water, inner spring,  
Make us whole and wash us clean.  
Living water, inner spring,  
Refresh our faith in things unseen.**

A burst of wonder, a burst of praise,  
A burst of healing in this place.  
You're Energy and You are Light;  
You penetrate our heart's dark space.

**Oh, Light of Love, oh Light Divine,  
Permeate our broken lives.  
Oh Light of Love, oh Light Divine:  
With lives that shine, may we arise.**

**BRIDGE: You are the Vine, we cling to You.  
Good Shepherd too, we trust in You.  
You are the way, we follow You,  
The truth and life, we live in You**

**Leaven of Peace, oh Bread of Life,  
Make all things new as You intend.  
Leaven of Peace, oh Bread of Life,  
May we be faithful 'til the end.**

**END: A flood of wonder, a flood of praise,  
A flood of healing in this place.  
We bring our broken selves to You.**
